## Getting There

Your adventure begins with a scenic ocean cruise across Banderas Bay to the isolated cove of Las Caletas. As the sun sinks into the Pacific Ocean and darkness descends, you'll enjoy a privileged view of the shimmering lights scattered along the coastline. As the lights diminish, our journey continues beneath the stars - until a flicker of torches guide us to the secluded haven of Las Caletas.

---

## A Private Paradise

Once on shore, your senses will be ignited by the sounds, sights, smells and tastes that soon envelope you. The gently lapping sea and swaying palms set the mood and soothing music mixes with the rhythms of the jungle as you follow a torch-lit trail past re-enactments of ancient rituals and customs.

---

### **Dining Under the Stars**

Enticing aromas of freshly grilled steak, chicken and fish lure you towards your private beachside table bathed in the soft glow of candles. The dinner buffet is complimented by freshly prepared vegetables, salads and authentic handmade tortillas. Our dessert trays boast brownies, pies, traditional rice pudding, and plenty of local fresh cut tropical fruit.

---

### **The Pyramid Stage**

You'll savor every moment of this unique dining experience whether you are with your special someone or with a group. While lingering over coffee and dessert, the pulsing beat of native drums summon you to our outdoor amphitheater. Here, hidden at the edge of the tropical jungle, a torch-lit pyramid sets the scene, creating the atmosphere for a mesmerizing and breathtaking theatrical performance.
